Barry Rassin selected to be 2018-19 Rotary president

Barry Rassin, of the Rotary Club of East Nassau, New Providence, Bahamas, is the selection of the Nominating Committee for President of Rotary International for 2018-19. He will be declared the president-elect on 1 September if no challenging candidates have been suggested.

As president, Rassin aims to strengthen our public image and our use of digital tools to maximize Rotary's reach. "Those who know what good Rotary clubs do will want to be a part of it, and we must find new models for membership that allow all interested in our mission to participate," he says. "With Rotary more in the public eye, we will attract more individuals who want to be part of and support a membership organization that accomplishes so much good around the world."

Rassin earned an MBA in health and hospital administration from the University of Florida and is the first fellow of the American College of Healthcare Executives in the Bahamas. He recently retired after 37 years as president of Doctors Hospital Health System, where he continues to serve as an adviser. He is a lifetime member of the American Hospital Association and has served on several boards, including the Quality Council of the Bahamas, Health Education Council, and Employer's Confederation.

A Rotarian since 1980, Rassin has served Rotary as director and is vice chair of The Rotary Foundation Board of Trustees. He was an RI training leader and the aide to 2015-16 RI President K.R. Ravindran.

Rassin received Rotary's highest honor, the Service Above Self Award, as well as other humanitarian awards for his work leading Rotary's relief efforts in Haiti after the 2010 earthquake there. He and his wife, Esther, are Major Donors and Benefactors of The Rotary Foundation.

Rassin's nomination follows [Sam F. Owori's death](#) in July, just two weeks into his term as Rotary International president-elect.

Mark Daniel Maloney selected to be 2019-20 Rotary president

Mark Daniel Maloney, of the Rotary Club of Decatur, Alabama, USA, is the selection of the Nominating Committee for President of Rotary International for 2019-20. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

"The clubs are where Rotary happens," says Maloney, an attorney. He aims to support and strengthen clubs at the community level, preserve Rotary's culture as a service-oriented membership organization, and test new regional approaches for growth.

"With the eradication of polio, recognition for Rotary will be great and the opportunities will be many," he says. "We have the potential to become the global powerhouse for doing good."

Maloney is a principal in the law firm of Blackburn, Maloney, and Schuppert LLC, with a focus on taxation, estate planning, and agricultural law. He represents large farming operations in the Southeastern and Midwestern United States, and has chaired the American Bar Association's Committee on Agriculture in the section of taxation. He is a member of the American Bar Association, Alabama State Bar Association, and the Alabama Law Institute.

A Rotarian since 1980, Maloney has served as an RI director; trustee and vice chair of The Rotary Foundation; president's aide; zone coordinator; and a leader on the Future Vision and 2014 Sydney Convention Committees. He serves on the Operations Review Committee and has served on the Rotary Peace Centers Committee. He has received the Rotary Foundation Citation for Meritorious Service and Distinguished Service Award. Maloney and his wife, Gay, are Paul Harris Fellows, Major Donors, and Bequest Society
